

Seminars 2018

Expand your thoughts and charge new energy through one of our seminars this spring. Strategically relevant topics are addressed together with experts from academia and industry.

Information on each specific seminar can be found 4-8 weeks prior to the event at kthexecutiveschool.se.

Digital Transformation	24/1
Attract and Engage Young Professionals	30/1
Will the Chinese Dragon Strengthen Your Business or Eat You Alive?	22/2
Digital Business Models	8/3
Artificial Intelligence	15/3
Intercultural Skills in Business of Technology	22/3
Intraprenurship	3/5

Registration

Registration is required at kthexecutiveschool.se, first come first served.

Free of Charge

The seminars are free of charge, but there is a no-show fee.
